Continuation of letter No. 3: We're horribly bored. We don't have anything to read. Day after day we do nothing. And you know, it's strange for us in this town, we can't get used to the people here at all. All we're doing is looking forward to seeing a familiar face from Novaky. We'd like to sit down together with you in a group and talk. If we live. But we hope that we will. We have to. Mrs. Schorfertcinova and Mrs. Rozenbaumova is also here. We're very happy when we hear of you, where you are and what you're doing, and mainly that you're healthy.
