

Resolution Concerning War Damages Compensation For Vera Erak's Mother, Edith Erak (nee Bondy)

The decision accepting my mother Edith Erak's application for war damage restitution because her brothers Jakob and Robert Bondy were killed in the concentration camp Jasenovac, and her sister Greta Bondy was killed in the Djakovo concentration camp in 1941. Unfortunately, regardless of the fact that mother's request received a positive decision, she never received any compensation.
