

Sofia Dicman

This here is aunt Sofia, Sofia Dicman, one of my mother's, Dorina Fiul's sisters. The photo was taken in 1931 in Bucharest. We loved her very much, she was like a mother to us - me and my sister Lola. She was born in Bacau in 1889, and she was a housewife. She was married to Iosef Dicman, a Jew from Cleja, and they had no children. They both left for Israel in 1959; Aunt Sofia died there in 1971, and she is buried in Rishon Le Zion, in the Gordonia cemetery.
