

Suzana Petrovic With Her Son Dejan

Photo of my son Dejan and me, during his Army service. Photo was taken in Slavenska Pozega (Croatia), 1986.

In 1967, I had a son Dejan, my only child.

As a teenager Dejan was sportsman and used to play handball. Every year he went to the Jewish summer camps in Pirovac and Brac (Croatia). He was active member of the Belgrade Jewish Community, where, after finishing his studies, he was in charge of culture and education. He participated at seminars in Switzerland, France, Germany, Greece, USA, etc. During his studies he was painting on glass and he took part at exhibitions in Novi Sad.
